

100% OF EVERY TETRA PAK MILK OR JUICE CARTON IS RECYCLABLE.

YOU can play a role in the transformation of used carton waste into a wide range of useful paper, cardboard and other products - through **Tetra Pak's** partnership with **Mpact Recycling**.

Once your carton is empty:

Various carton collection programmes exist - including kerbside collections, drop-off centres, buy-back centres, school collections, shopping centres, offices, airports and industrial sites.

USED CARTONS ARE A VALUABLE RESOURCE, EASILY RECYCLED AND MUCH IN DEMAND!
